

EXTRAORDINARY GENERAL MEETING · 23 SEPTEMBER 2026

Notice of Nomination

Senior Affiliated Clubs League Commissioner — issued by the Secretary

ITEM	3b — Election: Senior Affiliated Clubs League Commissioner
NOMINATIONS	Closed midnight, Friday 18 September 2026
RECEIVED	One valid nomination
CANDIDATE	Bruce Webb

1. The nomination

Nominations for the office of Senior Affiliated Clubs League Commissioner closed at midnight on Friday 18 September 2026.

One nomination was received: Bruce Webb.

A proposer and a seconder have both been received, each from an Affiliated Club holding senior team entitlement as clause 5.8 requires. The nomination has been checked against the Constitution and is valid, and the candidate satisfies clauses 4.12 and 5.14.

Both the proposal and the seconding were expressed as subject to Motion 3 being carried.

2. When the election is taken

The election is conditional. It arises only if a vacancy in the office is created by Motion 3. If Motion 3 is not carried, there is no vacancy, item 3b falls away and no election is held.

If Motion 3 is **not** carried, the Commissioner remains in post, there is no vacancy, item 3b is not reached and the meeting moves directly to Motion 4.

If Motion 3 **is** carried, the Chair declares the vacancy and item 3b becomes the vote to elect the sole nominee. The ballot is on the election of that candidate.

3. Who votes

The electorate for this election is the **senior bracket**, in accordance with clauses 5.7 and 6.15. Voting Members with no senior team do not vote in it, although they vote on every motion. The senior entitlement of each Voting Member is set out in the voting document issued with these papers.

The ballot is by secret written ballot under clause 6.27, conducted on the same electronic form as the motions and counted by the two tally keepers appointed at the opening of the meeting.

4. No nominations from the floor

The call for this meeting stated that nominations close five days before the meeting. That deadline has passed. **Bruce Webb is the only nomination received, and no nomination can be taken from the floor on the night.** The election at item 3b, if it is reached, is on the sole nomination and nothing else.

If the sole nominee is not elected by a majority of the senior leagues votes cast, the President will adjudicate the way forward.

5. Candidate statement — Bruce Webb

I am Bruce Webb, a South African born British Citizen and a player in British leagues for the last 10 years. I love this game, and I would like to help it grow. I have played baseball for 20 years.

I believe baseball should be played by anyone who wishes to, but it starts with responsibility, accountability and transparency by those responsible for its organization and availability.

I have built a long career in corporate governance, specifically in enterprise risk management, where I am responsible for protecting business interests and corporate objectives, as well as providing assurance over management systems.

I am committed to building a cohesive adult league, where I am approachable in my capacity, but I also consult on decisions, and commit to these being ratified and developed through consultation with clubs and ultimately published for transparency to everyone, should this be possible through the BBF website or other suitable means, not limited to just clubs and organizations linked to the BBF. Any member of the public should have access to this information.

My first days should be spent understanding where a difference is required, and building the trust of clubs to execute agreed changes to anything identified during consultation.

I believe I am a suitable candidate for this role because I have a decade of relationships in this game with numerous managers, clubs and players. My actions on the field and off of it over the years is testament to my character – and is proven, rather than promised.

Most importantly, I am not affiliated to any club at a board level, allowing me the freedom to make decisions away from bias, and without fear or favour. I am a player for Long Eaton Storm, and have been a part of many clubs over the years, for the reasons of needing to play at certain league levels, as well as moving for work and family commitments. A new committee will need to be formed, and this same characteristic is important when agreeing who will take this step, should I be successful. I also believe that the committee should be wider, and promise to work with the board and clubs to agree a new Terms of reference for dealing with the SLC.

I remain contactable by any official, player, or member should there be questions about me, my experience or my vision.

I look forward to having the opportunity to make a difference.

Bruce Webb

The statement above is reproduced as submitted by the candidate on 17 September 2026. It is the candidate's own words and is published without amendment or endorsement by the Board.
